I, \_\_\_\_\_ (print name), understand that the BodyTalk session provided by Tone-Lise Stenslie, Certified BodyTalk Practitioner, for my animal, \_\_\_\_\_ (please print animal's name), is intended to restore balance, increase communication within the areas of the body, and to educate me to possible energetic or emotional blocks that may be creating pain, discomfort or disease for my animal.

BodyTalk is non-invasive, safe, and objective. It utilizes the body's own innate intelligence to re-establish communication within itself.

I understand that BodyTalk is not a substitute for veterinary care or medications. I am aware that the BodyTalk Practitioner does not medically diagnose illness or disease, nor does the Practitioner prescribe medication. I understand the BodyTalk Practitioner strongly recommends immediate veterinarian attention for any physically based conditions with my animal.

I understand that the safety and care of my animal is ultimately my responsibility and I hold harmless the BodyTalk Practitioner. I understand that payment is due at time of service.

Time has been especially reserved for me, and I understand that a 24-hour cancellation is expected. If I have any questions or concerns, I will address these promptly with my BodyTalk Practitioner. I hereby authorize Tone-Lise Stenslie to provide my animal with BodyTalk sessions.
